

Give gifts of hope these Holidays

Holiday Gift and Celebration Ideas

Give Hope

A Holiday Celebration with a Difference

At this time of year, we'd normally be busy planning office holiday parties and end of year celebrations. Bringing joy and hope to our employees, customers and partners is more important than ever this year, but even with things starting to open, we will have to continue to be a little more creative in how we do this.

As you look for new ways to thank your employees, partners, and customers or clients, why not build hope and extend the joy to those hit hardest in these challenging times?

By partnering with Feed Ontario this holiday season, you can inspire your employees, partners, and customers by showing that, together, you've been able to make a difference.

Give hope this holiday season by making a donation to help Feed Ontario in lieu of gifts or in-person celebrations. You'll also have access to unique, uplifting gifts and stories to share with employees and partners.

Why help Feed Ontario these Holidays?

The Situation

More than 537,000 Ontarians use a food bank in a year to help put food on the table. One in three is a child. The pandemic and resulting economic impacts has meant more people to accessed a food bank for the first time.

But it's not over yet! Our past experience in helping individuals, families, and communities manage and overcome crises (including natural disasters and recessions) tells us that people and communities will feel the rippling impact of this pandemic for years to come.

As we adjust to a new normal, our neighbours and communities will continue to need our united support to help ensure no one goes hungry during the challenging times ahead.

Be part of the solution

By giving today you can help ensure Ontario's food banks have the resources they need to continue to help our province recover and thrive. Your support will directly help replenish food supplies in food banks across Ontario, support food banks as they adapt services to our new normal, help them continue to safely serve our communities, and develop solutions to hunger.

Donate now to Feed Ontario and help build a healthier province. Every \$1 you donate can provide 3 meals to someone in need.

About Feed Ontario

From securing fresh and healthy food sources, to driving change through policy research and innovative programming, Feed Ontario unites food banks, industry partners, and local communities in our work to end hunger and poverty.

Join us as we Feed Ontario and help build a healthier province. **Every \$1 you donate provides 3 meals to an Ontarian in need.**

Our **FeedON** network provides adults, children, and seniors with nutritious food throughout the year, including: dairy, protein, and produce. Through the support of our partners, we distribute millions of meals annually.

We **Feed Possibility** by providing food banks with resources to grow their capacity to distribute fresh food, to collaborate and develop best practices that drive change, and to invest in innovative programming for people facing hunger in their communities.

We **Feed Change** by researching the root-causes of food insecurity, raising awareness of hunger in our province, and advocating on behalf of evidence-based solutions. It is only through our collective action that we will end hunger and poverty in Ontario.

537,000

adults, seniors, and children visit food banks in Ontario each year

29 million

pounds of fresh and non-perishable food are distributed annually

1,200+

hunger-relief organizations working together to serve their communities
